

## Barclays Bank HQ

### Project Data

**Project:** Barclays Bank HQ

**Location:** Lisbon, Portugal

**Market Segment:** Office

**Client:** Barclays Bank

**Architect:** 3G Office

**Blind manufacturer:** Verosol

**Supplier/Installer:** Verosol

**Brief Description:** New Barclays Bank Portuguese HQ, in Torre Colombo business area in Lisbon.

### Product Type and Fabric Type

650 Rollerblinds with different fabrics (SilverScreen, Originals 812, OPAC 400) and systems (Standard Roller, QS8.3 Multi)

- Standard Rollers with Silverscreen colour EC02.
- Standard Rollers with Originals 812, colour 741.
- Standard Rollers OPAC 400 Sable and Motorized (Somfy Altus RTS) QS8.3 Multi with SilverScreen, Originals 812 and OPAC.

### Main Selection Criteria

Energy Savings

### Problem Definition

Light and Heat control. Building exposed to big windows in some areas.

### Solution

Selection of different fabrics (SilverScreen, Originals 812 and OPAC 400), depending on the facade/area of the building. Also a selection of different systems (including QS8.3 Multi), depending on the size of the window. Motorization for Executive Floor.
