

## MENZIS

### Project Data

**Project:** Menzis

**Location:** Groningen, The Netherlands

**Market Segment:** Office

**Client:** Menzis

**Architect:** De Architecten Cie

**Blind manufacturer:** Verosol Nederland B.V.

**Supplier/Installer:** Verosol Nederland B.V.

### Product Type

1000 Pleated and Twin pleated blinds with profile guiding

### Fabric Type

Originals 878 and 816, colour 441

### Problem Definition

For the trapezium windows that are part of the particular design, and which are mostly under a corner, Verosol offers a solution which maintains the shape of the windows and all the blinds can be operated.
