und Prüfung auf dem Gebiet der Textilökologie
Frankfurter Straße 10-14 65760 Eschborn

The company

Verosol Fabrics B.V.

De Kieft 18

7151 HZ Eibergen

The Netherlands

is granted authorization according to Oeko-Tex Standard 100 to use the Oeko-Tex mark, based on our **test report 06.0.49144**

for the following articles:

Interior sunshading fabrics made of 100% polyester and/or Trevira CS, metallised and non-metallised, white and various colours, partly produced with fibres accepted by Oeko-Tex having flame retardant properties.

The results of the inspection made according to Oeko-Tex Standard 100, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for decoration material and mattresses.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to EN 45 014, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

Eschborn, 26.02.2007

This authorisation is valid until 29.02.2008
